Map to the Center and Directions

Traveling north or south on I-25 take the exit for Monument / Palmer Lake. At the top of the ramp from both directions take your immediate left “at the top of the ramp.” This is 2nd street. Follow 2nd street until it ends just across a set of train tracks at Mitchell Rd. Turn Left onto Mitchell Rd. Go approximately .5 miles to Mt. Herman Rd. (*Mt. Herman Rd. is straight across from Dirty Woman park and is a right turn only*) Turn right onto Mt. Herman Road. Follow until you reach the driveway for the Fire Center approximately 1.5 miles. (*You will see a USFS sign for the Monument fire Center on your right across from the driveway*) Turn left onto the driveway and follow until you see signs for parking. The classroom building is the 1st building on the right next to the road. You may have to park prior to reaching the building.
